

BRIEFING NOTE – June 01, 2023

AeroShell Grease 6/7/22 – EMEA & APAC

Dear Customer,

Further to our letter dated 6th February 2023, we would like to provide you with an update regarding the supply situation for our clay grease products.

We are pleased to inform you that we now have full recovery of all clay grease SKUs across our global network and are back to standard lead times on all SKUs. Therefore, the Force Majeure status is lifted and there are no ordering restrictions remaining on any of the AeroShell Grease 6, 7 & 22 SKUs:
