

Silmid, headquartered near Birmingham, UK, is a world-class ecommerce distributor of specialty chemicals and consumables for aerospace and aviation. Established in 1980 and acquired by GracoRoberts in 2021, we are part of an organization recognized as the largest, fastest, and most technical aerospace specialty chemical distributor around the globe. We proudly serve the OEM, MRO, airline, helicopter, general aviation, and defense segments.

Silmid is an Authorized Distributor for key suppliers including 3M, AeroShell, AkzoNobel, Henkel, PPG Aerospace, and more. Through the GracoRoberts family of brands, we have access to 100,000 products, with 25,000 in stock at any given time. We distribute, formulate, and repackage specialty chemicals and consumables for thousands of global customers, and our full-service, multi-lingual ecommerce platform offers an easy click-to-ship buying experience. Capabilities include inventory management, product repackaging, and hazardous materials export.

COMMITMENT TO QUALITY AND SERVICE

Silmid is dedicated to providing quality products and associated services to satisfy the needs of our customers. We are ISO 9001:2015 / AS9120 certified and dedicated to meeting these international quality standards, along with all relevant legal and third-party requirements. To verify compliance with the requirements of these certifications and drive continuous improvement, we engage in routine management reviews, performance analysis, customer satisfaction, and internal audits of our processes.
