

Arrow Wipe Selector Guide

Arrow Solutions offer a range of cleaning and degreasing products, and many of these are available in convenient pre-saturated wipe form. The following table may be used as a guide when selecting the optimum degreasing wipe for a specific application. For further reference, please refer to the TDS for each product.

	Lotoxane	Rapide	Powersolve
Grease Removal*1	***	**	*
Paint Removal	*	**	***
Ink Removal*2	*	***	**
Tar Removal	***	*	**
Semi-Cured Sealant Removal*3	**	***	*

*1 Grease Removal: All products will perform well, the grading is based on the chemical hazard

*2 Ink Removal: Rapide and Powersolve will both perform well; the grading is based on chemical hazard and compatibility with substrates

*3 Semi-Cured Sealant: Only effective when sealant is not completely dry. Grading based on wipe loading and chemical hazard.
